

EAGLEONE CARD

The University of Mary Washington EagleOne identification card is the only card a student needs at the University, providing access to the library, gymnasium, residence halls, and other University buildings and activities. It also contains the student's meal plan and flex dollar information for University food service. Additional money may be added to the card for use in other campus locations, such as the University Bookstore, the Eagle's Nest, Panera Bread campus location, For Five Coffee campus location and the UMW Health Center. Students may also use their EagleOne card at participating off-campus Fredericksburg locations (<https://adminfinance.umw.edu/eagleone/vending-off-campus/eagleone-off-campus-2/great-deals-2/>).

EagleOne cardholders may check their account balances, deposit funds, and download statements at EagleOne eAccounts (<https://eagleone-sp.transactcampus.com/eAccounts/AnonymousHome.aspx>).
