

# MEAL PLANS

---

All residential students are required to enroll in a meal plan, which may vary depending on housing assignment. All first-year students are required to have the largest meal plan of those being offered. Commuting students may sign up for any of the plans offered at UMW.

Most meal plans come with Flex dollars, which may be used to purchase additional meals or eat at various on-campus locations. EagleOne dollars may also be used for additional dining meals.

Additional details can be found on the Student Accounts website (<https://adminfinance.umw.edu/studentaccounts/room-and-board/>).
