

# HISTORY

---

Through flexible requirements, the history minor introduces students to historical processes, institutions, and methodology. Study of the past through the history minor emphasizes critical thinking, collaborative and individual learning, research, and written, oral, and digital communication, skills which students can use in their majors and in their post-UMW lives.

## Minor Requirements

Code	Title	Credits
Select one 100-level survey course		3
HIST 121	Western Civilization I	
HIST 122	Western Civilization II	
HIST 131	American History to 1865	
HIST 132	American History Since 1865
